HOST INSTITUTE: MALAVIYA NATIONAL INSTITUTE OF TECHNOLOGY JAIPUR

Ref. No.: MNITJ/CCMT-2021/PN/06

July 31, 2021

Public Notice

Balance fee is calculated based on the candidates category, Institute and program in which candidate is allotted a seat. Candidate may note that in case candidate's category is changed during document verification, then updated category is used for the calculation of balance fee. Balance fee is calculated as admission fee of allotted Institute and program for the candidate category minus Seat Acceptance Fee (SAF) already paid by the candidates. In case candidates category has changed and any difference in registration fee is also due from the candidate then that difference in registration fee is also added in the balance fee.

As an example, Miss XYZ originally registered as SC candidate and paid registration fee of INR 2,500. During 2nd round she was allotted a seat and paid SAF amount of INR 10,000/-. However, during document verification her category was changed from SC to GEN. Now in 3rd round she is allotted a seat in Chemical Engineering Program at Malaviya National Institute of Technology Jaipur as GEN category candidate. She has decided not to go to Special Rounds and wants to pay the balance fee and reserve her seat. Her balance fee is calculated as follows:

1. Admission fee of the program Chemical Engineering at Malaviya National Institute of Technology Jaipur as GEN candidate is INR: 70,865.00
2. She has paid SAF of INR 10,000.00
3. Difference of Registration due from her is INR 500.00
4. Balance Fee due from her would be $INR\ 70,865.00 - 10,000.00 + 500.00 = 61,365.00$.
