About CCMT-2019

The Centralized Counseling for M.Tech./M.Arch./M.Plan. (CCMT-2019) is a convenient platform for the candidates to apply for M.Tech./M.Arch./M.Plan. programmes, based on their GATE score of years 2017, 2018 and 2019, in all National Institute of Technologies (NITs), IEST Shibpur, 8 IITs, National Institute of Foundry and Forge Technology (NIFFT) Ranchi, School of Planning and Architecture (SPA) Vijayawada, University of Hyderabad, Central University of Rajasthan, Sant Longowal Institute of Engineering and Technology (SLIET) Longowal, Punjab Engineering College (PEC) Chandigarh and Shri Mata Vaishno Devi University Katra. This centralized system has replaced the older system, wherein candidates had to apply individually to various Institutes and go to every Institute for appearing in interview/counseling. The older system had caused a lot of difficulties to candidates such as filling multiple applications, travelling long distances to various Institutes across the country and missing some Institutes due to overlapping admission dates. The Centralized counseling has provided a system wherein the candidates can fill single online application form from their homes and apply to all programmes in all the participating institutions to which they are eligible. The overall convenience of candidates has been enormously increased due to centralized counseling.

The CCMT was initiated in the year 2012 for centralized admission for PG programmes. The CCMT was successfully organized by NIT Delhi in the year 2018. This year, CCMT is being organized by National Institute of Technology Rourkela, Odisha.

1 Introduction

The centralized online process for admission to M.Tech./M.Arch./M.Plan. programmes is organized by CCMT-2019 for all National Institute of Technologies (NITs), IEST Shibpur, 8 IITs, National Institute of Foundry and Forge Technology (NIFFT) Ranchi, School of Planning and Architecture (SPA) Vijayawada, University of Hyderabad, Central University of Rajasthan, Sant Longowal Institute of Engineering and Technology (SLIET) Longowal, Punjab Engineering College (PEC) Chandigarh and Shri Mata Vaishno Devi University Katra. These are the premier institutions of the country imparting world class technical education. Process for centralized admission to postgraduate programs in all these Institutes will start from April 08, 2019. CCMT-2019 will coordinate admission to PG programmes in Engineering, Technology, Architecture and Planning in respect of above mentioned Institutes hereinafter called ‘Participating Institutes’ (PIs). Important features of the admission procedure, admission schedule, process flow chart and contact details of CCMT-2019 Headquarter are given in this brochure. The list of PIs and their Seat Distribution, Eligibility Matrix, Date of commencement of classes, Fee Structure, Contact Addresses *etc.* are given on the CCMT-2019 website <https://ccmt.nic.in>. Candidates are advised to read this brochure carefully and visit the CCMT-2019 website regularly for updates and other details regarding the online counseling process.

The counseling process consists of three stages (Please refer **Annexure III** for an overview of the counseling process and Flow Chart in **Annexure IV**):

- **Online Registration, Choice Filling and Locking of Choices:** In this stage, all candidates eligible for central counseling, should register themselves in the CCMT-2019 website by providing GATE credentials, qualifying degrees, personal details *etc.* and paying the requisite registration fee. The registration fee can be paid online using the SBI-MOPS (*i.e.* Net Banking/ Credit Card/Debit Card or through e-Challan at any branch of SBI). Upon successful registration, the candidates will be able to fill and lock their preferred choices of programmes from the list of eligible programmes appearing in their respective CCMT-2019 account. Candidates may take assistance of the Help Centers (List given in the CCMT-2019 website) for registration and choice filling. The registration, choice filling and locking *etc.* are to be done during the specified periods ONLY, as given in the Schedule (**Annexure I**).
- **Online Seat Allotment, Seat Acceptance fee deposit and Physical Reporting at a Reporting Center (RC):** Candidates will be offered seats based on their choices in the order of merit (see Section 3). Candidates who are allotted seats (*i.e.* offered admission) will have to deposit **Seat Acceptance Fee (₹30,000)** using SBI MOPS (Net banking / credit card/ debit card or through e-Challan at any branch of SBI), and then physically report to any one of the ‘Reporting Centers (RC)’ (List given in the CCMT-2019 website) as per the schedule given in the brochure during the specified time frames, failing which their allotted seat and candidature will be **cancelled**. During physical reporting at the RC, the candidates will be required to produce their original documents for verification (List given in **Annexure II**), submit self-attested photocopy of documents and proof of the Seat Acceptance Fee payment to mark their acceptance of the offered seat and exercise WILLINGNESS (as described in Section 5.5.2). On satisfactory verification of all relevant documents, the candidates will be issued a Document Verification Certificate (DVC).

- **Getting Admitted to Allotted Institute:** All the candidates who have been allotted seats and have DVC can download their Provisional Admission Letter (PAL) from their CCMT-2019 account. The candidates having PAL have to **physically report** to the allotted institute as per the schedule given in **Annexure I**. The balance fee (Total fee of the allotted institute Seat Acceptance Fee) with respect to allotted Institute has to be paid by the candidate to the respective allotted Institute at the time of physical reporting (after National Upgradation Round). The tentative fee of all PIs is displayed on CCMT website; however for the actual fee of allotted institute candidates are advised to refer the respective Institute website.

The candidates may then directly proceed to the respective allotted Institutes for attending the classes as per the schedule displayed on CCMT website. The candidates are advised to visit the website of the allotted Institute from time to time for updated information related to the Institute fee/commencement of classes *etc.* at the allotted Institute.

In addition to above regular Rounds, a mop-up round called, National Spot Round (NSR), will also be conducted to fill-up the vacant seats, if any. Please see Section 7 for details.

The CCMT-2019 counseling is not for candidates seeking admission to Sponsored Seats or Part Time programmes. They should contact the respective Participating Institutes for the same.

3 Rules for Seat Allotment

Seat allotment is based on the merit list, choice list of the student and availability of seats. Merit list will be prepared on the basis of GATE score. To resolve and determine inter-se-merit of candidates having same GATE score, following criteria will be used in the stated order.

- Candidates having GATE score in 2017 will be given preference over candidates having score of 2018, or 2019.
- Candidates having GATE score in 2018 will be given preference over candidates having score of 2019.
- If year of GATE score is same, then preference will be given to that candidate who has obtained better GATE marks out of 100.
- In the unlikely event of their GATE marks out of 100 and the year of GATE score being the same, then preference will be based on the All India Rank (AIR).
- In highly unlikely event of candidates having same GATE Year, GATE marks out of 100, and AIR, then Date of Birth will be considered. Elder candidate will be given preference.
- In highly unlikely event of candidates having same GATE Year, GATE marks out of 100, AIR, and Date of Birth, rank will be decided on the basis of Random number generation.

5.3.1 Seat Allotment Procedure

There shall be three regular rounds (Round 1, Round 2 and Round 3) of seat allotment and a mop-up round called National Spot Round (NSR) in CCMT-2019. A national upgradation and an internal sliding will also be conducted after the Round 3 and before conducting the NSR.

In Round 1, all the available seats will be considered for allotment and the result, indicating the allotted PI with the Programme, will be published on the CCMT-2019 website. In the Round 2, Round 3, and NSR, seats will be allotted against the available vacant seats in the respective rounds, and the results will be available on the CCMT-2019 website. In Round 2, Round 3, National Upgradation and Internal Sliding, **fresh registration and/or modification of choices will NOT** be permitted; registered candidates will not be allowed to alter or resubmit their choices. While reporting at the RC, if the candidates willingness

(See section 5.5.2 for details on specifying willingness) is **Freezing**, then the allotted seat will be retained throughout the subsequent Rounds. If the candidates willingness is **Floating/Sliding** then the presently allotted seat will be retained until better choice is allotted in the subsequent Round 2 / Round 3 / National Upgradation. In Round 2 / Round 3 / National Upgradation, if a candidate is allotted her/his better preference, earlier allotted seat will be revoked from her/him and the same seat would be made available for allotment to subsequent candidates in the merit list.

National Upgradation is similar to the regular rounds (Round 1, 2, and 3), but considers only the candidates who have been already allotted a seat in any of the earlier rounds and their current willingness is Floating/Sliding. Candidates are then required to physically report at the allotted institute for admission.

An Internal Sliding will also be done for candidates who have been allotted seats in previous rounds, taken admission in the allotted institute, and have their current willingness as Floating/Sliding. All such candidates whose willingness is Floating, shall be converted to Sliding for Internal Sliding. During internal sliding, the allotted seat of the candidate is retained but may slide to another program within the same allotted institute. The seats that remained vacant after the end of Internal Sliding will be made available for the NSR. The detailed activities during Regular Rounds, National Upgradation, and Internal Sliding are presented in Section 6. The detail about the NSR activities is described in Section 7.

5.4 Payment of Seat Acceptance Fee

When a seat is allotted to the candidate for the first time in any of the regular rounds (Round 1, Round 2, Round 3), the candidate has to pay the **Seat Acceptance Fee** (₹30,000/- for all Categories) through SBI-MOPS (*i.e.*, Net banking/Credit Card / Debit Card or e-Challan at any branch of SBI) during the period mentioned in the Schedule (**Annexure I**), before reporting at the RC. In case the candidate fails to pay the Seat Acceptance Fee, her/his seat allotment shall automatically stand cancelled and she/he will not be considered for the subsequent rounds of allotment. Proof of payment of Seat Acceptance Fee has to be produced by the candidate at the time of reporting to the RC.

5.5 Physical Reporting at RC for Document Verification

Candidates who are allotted seats for the first time in any of the regular rounds (Round 1, Round 2, Round 3), must report to any of the RCs (List and address is given in the CCMT-2019 website) within the scheduled dates of that specific round for document verification and for specifying the willingness, failing which their allotment will be cancelled. Generally, the reporting time for all the RCs is 09:00 hrs–17:00 hrs.

5.5.1 Document Verification

Candidate should carry the documents as mentioned in Annexure II at the time of reporting at the RC, for verification. During document verification, if the personal data, *viz.*, category, subcategory, qualifying degree, programme of qualifying degree, GATE subject and GATE qualifying year submitted by the candidate during the online registration is found to be **false** at the time of verification of the original documents, his/her seat allotment is liable to be cancelled.

Norms for Updating Candidates Personal Data Any update in the candidates category from OC to OC-EW/OB/SC/ST, OC-EW to OB/SC/ST, OB to OC-EW/SC/ST, SC to OC-EW/OB/ST, ST to

OC-EW/OB/SC, SC to SC-PwD, ST to ST-PwD, OB to OB-PwD, EW to EW-PwD, and OC to OC-PwD **shall not be permitted under any circumstances.**

The category data may be updated in the following ways during the reporting period, after obtaining an undertaking from the candidate,

- i. Category can be updated from OC-EW, OB, SC, ST to OC, if the candidate is not able to produce the valid category certificate, **but vice versa is not allowed.**
- ii. Category can be updated from OC-PwD, OC-EW-PwD, OB-PwD, SC-PwD, ST-PwD to OC, OC-EW, OB, SC, ST, respectively, if the candidate is not able to produce the valid PwD certificate, **but vice versa is not allowed.**

The change of candidates personal data may lead to cancellation of allotted seat, if the seat was allotted on the basis of data being changed. If the updated data does not satisfy the minimum eligibility criteria, the candidature of the candidate will be cancelled and henceforth, will NOT be considered for the subsequent round of counseling process. If the candidate is considered for further rounds then her/his updated data will be considered for further seat allotment. **NO** fresh choice filling will be permitted at this stage under any circumstance.

5.5.2 Specifying Willingness

Candidates are required to exercise one of the following willingness when they report to the RC:

- i. **Floating**, if they wish to be considered in the next round for all of their better preferred choices (*i.e.* across the Institutes).
- ii. **Sliding**, if they wish to be considered in the next round for their better preferred choices only within the Institute allotted to them.
- iii. **Freezing**, if they are satisfied with the currently allotted seat and not interested in their better preferred choices in the subsequent round(s).

If the allotted seat is of better preferred choice for a candidate who has specified her/his willingness as Floating/Sliding then, she/he will compulsorily forfeit the claim on the seat allotted to her/him in the earlier rounds.

5.5.3 Issue of Document Verification Certificate (DVC)

Whenever a candidate is allotted a seat for the first time in any of the regular rounds, after completion of reporting formalities at RC, a DVC signed by the RC officials will be issued. The DVC will indicate the personal details of the candidate, details of the Institution and programme allotted, details of seat acceptance fee and the willingness (**Floating or Sliding or Freezing**) exercised by the candidate for subsequent rounds of allotment. The candidate should check all the entries in the DVC, sign and preserve the same for further reference.

All the candidates who have obtained DVC from the RC and have Floating or Sliding willingness, should regularly visit the CCMT-2019 website for the status / up-gradation of their allotted seat in the further rounds of allotment. They should take a print copy of the document indicating the new allotment if any, as available on the CCMT-2019 website.

5.5.4 Cancellation due to non-fulfilment of Essential Requirements

- a. If a candidate fails to satisfy the prescribed minimum educational qualifications, her/his allotted seat shall automatically stand cancelled and such candidate will not be considered for seat allotment in subsequent rounds, if any. Candidates for whom the result of qualifying degree is awaited may take part in the counseling process; however they have to produce course completion certificate (format available in CCMT-2019 website), duly signed by the head of the institution, at the time of RC reporting. If any admitted candidate whose result was awaited at the time of RC reporting, is not able to submit her/his qualifying degree certificate and mark-sheets by September 16, 2019, her/his admission would automatically stand cancelled and refund of any fee will be done by the allotted Institute as per their norms.
- b. If a candidate fails to produce appropriate category certificates her/his allotment will stand cancelled if the presently allotted seat was based on her/his category. However, in such cases, if eligible, she/he may be considered for allotment in further rounds, as per their changed category.
- c. If a candidate does not fulfil the special eligibility criteria for the allotted seat, if any, her/his allotment will stand cancelled. However, s/he will be considered for allotment in further rounds.

5.5.5 Willingness Change

Table 4: Willingness Change Permitted

From	To
Floating	Sliding
Floating	Freezing
Sliding	Freezing

If a candidate is not interested to change the ‘WILLINGNESS’, her/his earlier specified WILLINGNESS will be considered in the subsequent round(s) of allotment.

The willingness change can be done online during the period given in the **Annexure I**. The candidates are not required to again report at RC for the same.

Procedure for Online Willingness Change The procedure for online willingness change is as follows:

- i. Candidate must first login to her/his CCMT-2019 account.
- ii. After clicking on “Willingness Change”, the candidate needs to re-enter his CCMT login password.
- iii. After entering correct login password, a candidate will be able to exercise the permissible willingness change.
- iv. A One-Time Password (OTP) will be sent to the registered mobile number and email ID of the candidate. Candidates are required to enter the correct OTP to confirm willingness change.

- v. The willingness can now be changed from Floating to Sliding, or Floating to Freezing, or Sliding to Freezing. The vice-versa changes from Freezing to Sliding, or Freezing to Floating, or Sliding to Floating are not permitted.

5.5.6 Withdrawal of Allotted Seat

If a candidate having DVC wishes to withdraw from CCMT-2019, s/he can do so ONLINE by logging in to her/his CCMT account. The withdrawal from counseling can be done **during the period given in the Annexure I**. The candidates are not required to report at any RC for the same.

All candidates, who withdraw their seat, forfeit all claims on the seat allotted to them. After the allotted seat is cancelled, the candidate cannot participate in further rounds of counseling process, however can apply in NSR as a fresh candidate by paying the NSR fee.

Online withdrawal is not permissible after physical reporting at the allotted institute, in which case the cancellation and fee refund/forfeiture will be handled and decided by the allotted institute as per their rules/norms.

- iv. Candidates are required to enter the correct OTP to confirm the seat withdrawal.

5.5.7 Consequences of Not Reporting at RC

The candidates who are allotted seats in any of the rounds but do not report within the stipulated period at any RC for document verification will **lose their seats**. Such candidates will not be considered for seat allotment in subsequent rounds except as fresh registrant in NSR. The seats thus becoming vacant will be considered for allotment to the eligible candidates in the subsequent rounds.

5.6 Physical Reporting at the Allotted Institute for Admission

The candidates can download their Provisional Admission Letter (PAL) after the National Upgradation from their CCMT-2019 account, as per the schedule given in **Annexure I**.
